Dear Josh,

I have nominated Arnold Beckman for the 1990 National Academy of Sciences Public Welfare Medal. The nomination would surely benefit from your supporting letter. Please send your letter to Dr. Elizabeth J. Sherman, Office of the Home Secretary, National Academy of Sciences, 2101 Constitution Avenue, Room 146, Washington, DC 20418 before the end of July, if possible.

With many thanks.

Sincerely,

A handwritten signature in dark ink, appearing to read "Paul". The signature is stylized with a long horizontal stroke at the top and a vertical stroke descending from it.
